

## ZAN MITREV CLINIC – A CENTER OF EXCELLENCE FOR SUPERIOR HEALTHCARE SERVICES

- **Medical Excellence**
- **No waiting time**
- **Personalized care**
- **Cost competitiveness**

Established in 2000, Zan Mitrev Clinic stands as one of the most modern healthcare institutions in delivering high quality healthcare in the Balkans and Europe.

The clinic holds three consecutive Joint Commission International accreditations endorsed with the gold seal of approval for the implementation of the highest healthcare services and patient safety standards in a healthcare institution.

With a commitment to strategic priorities, patient safety, and continuous improvement, the clinic aims to uphold its position as a regional leader in private healthcare services. The dedicated team, advanced infrastructure, and unwavering commitment to excellence make Zan Mitrev Clinic a trusted healthcare partner, serving almost 395,000 patients, conducting over 1 million visits, and successfully completing more than 40,000 surgeries.
